

Providing Drug and Violence Prevention Education Pieces for the Mendez Foundation Since 1992

Promos Judith Noriega, Inc. has provided promotional merchandise to The Mendez Foundation since 1992. The Mendez Foundation is the leading prevention education provider for our school systems.

School districts purchase the anti-drug and violence curriculums and promotional merchandise for use within their schools. These products reach children from kindergarten through high school and convey an important message, I am "Too Good for Violence" and "Too Good for Drugs."

Our work includes:

- Pencils
- Pens
- Backpacks
- Bumper Stickers
- Shoelaces
- Clappers
- Lanyards
- Sticky Notes
- Bracelets

Many of the items can be seen on the Mendez Foundation website: www.mendezfoundation.net.

At Promos Judith Noriega, Inc. we strongly believe in supporting our community and its efforts in healthcare and education. Our work with the Hillsborough County Anti-Drug Alliance and the Students Working Against Tobacco led to this long standing relationship with the Mendez Foundation. And Promos Judith Noriega, Inc. is proud to serve this cornerstone in the community, the Mendez Foundation.
